

BIO OF HERMIONE REGIS, PGDIP HRM (MCIPD) HR MANAGEMENT & TRAINING CONSULTANT

Hermione Regis was born and spent almost 40 years in the United Kingdom. She is a UK qualified Human Resources Management & Training Consultant and a member of the Chartered Institute of Personnel & Development (CIPD) UK. She graduated at the University of East London.

Hermione is the Founder and Director of HR in Business Excellence. She is a resourceful Practitioner with over 25 years Management experience and her area of expertise are Human Resources Management, Counselling & Training.

Her work experience in the UK was primarily working in public sector organizations; including various departments of the Local Government, World University Service, Breast Cancer Care, National Children's Home, Kush Housing Association and the largest Housing Provider in the UK, namely; The Places for People Group.

20 of her working years in the UK was in Human Resources Management. As she climbed the career ladder she spent almost 5 years as a Regional Human Resources Advisor (London, Chilterns & the South of the UK), providing support and advice to Leaders in all areas of HR Management. Hermione finally reached one of her personal goals by setting up her own Human Resources Management Consultancy, namely HR in HR in the UK, in 2005, specializing in Equality & Diversity.

Hermione is currently the Director of HR in Business Excellence, which is a HR Management, Training & Counselling Consultancy, committed to providing a professional, high quality, confidential and personal service. HR in Business Excellence offers specialist HR advice and solutions to businesses. We design and facilitate one and two-day Training Workshops that are tailored specifically to meet the different needs of businesses. We also offer a personal and confidential Counselling Service through our Employee Assistance Programme.

Hermione is also the Co-Director of Soul Generation Ministry which is an International Evangelistic Ministry. Hermione has a passion to see young people and women fulfil their God-given purpose in life and over the last 12 years has been serving the church community, secondary schools and HRM Prison (Richmond Hill) by providing life-skills / character-building workshops, Empowerment Conferences, Retreats Seminars on a variety of topics and confronting live issues.

Hermione has also had the opportunity to work on several long-term missions in North & South America (Guyana), Zambia in Africa, around the UK and in numerous Caribbean islands teaching & preaching the Word of God, counselling married couples, individuals and families and providing a range of relevant training programmes. Hermione also has a background in Administration.
